an0my(talk) 19:19, September 26, 2011 (UTC)Very Competitive with the Brush GunFallout 4 Brush Gun ModPros: Highly accurate (0.. --God weapon weilder 02:42, November 16, 2011 (UTC)Without good reasoning? Because there totally aren't several editor's notes on the page specifically saying that Magnum Research BFR references will be removed.. I could tell you how to fix this in the GECK it would be really easy an0my(talk) 19:17, September 26, 2011 (UTC)Bug?whenever i take the Ranger off of the chief Hanlon at Camp Golf.. an0my(talk) 19:16, September 26, 2011 (UTC)Yeah its a bug, you could try to sell it then buy it back that should fix it, if not than i have no other ideas--Chargersphinx 01:55, September 29, 2011 (UTC)Sequoia?Like it says in the 'Behind the Scenes' log, it says Sequoia is known as the california redwood tree.. It also has more ammo per full mag, so it cn do more overall damage --Bottletopman 11:08, October 8, 2011 (UTC)The Ranger Sequoia only win against Brush Gun in one category; it can be fully reloaded in 3s while the Brush Gun must be reloaded round by round.

i will lose karma every time i pick it up and drop it is it a bug?,or is it supposed to do that? Elite 20:15, July 30, 2011 (UTC)You're stealing therefore you lose karma.. 44 Magnum, isn't it supposed to sound like the Hunting Revolver!?:38 120 11 197 20:33, June 24, 2011 (UTC)Good point..)real world variant?anyone know what gun this was based on? i added an image but someone removed it without good reasoning.. 129 Damage and 229(458 sneak attack) critical damage with Hollow Points, while increasing DT by 3x.

fallout 4 brush gun

Flaktrooper, October 27, 2011 [Fo4] New Vegas Brush Gun (Marlin 45-70) : FalloutModsDurabilityI think it should be pointed

out that the durability on the Ranger Sequoia is much lower than the Hunting Revolver, since it seems this is part of the reason why it is so much less valuable.

These Fallout crafting tips will help you build better Settlements, gather more Resources, and craft the best communities.. (I'm doing a revolvers only run through and the Sequoia was the only weapon I brought with me into Zion Canyon.. Using things like built to destroy and custom ammo exacerbates the problem cartoonishly, so this makes it something as significant as the value or damage when taking the merits of this gun into consideration.. Put new text under old text Click here to start a new topic Do not edit other people's entries.. 01 spread vs Brush Gun's 0 06,) Higher Crit Multiplier (x1 vs x1 5) an0my(talk) 19:19, September 26, 2011 (UTC)Uhh, no.. However, the Brush Gun (not counting the Medicine Stick which is even better) wins in everything else.. This talk page is only for discussing improvements to the page 'Ranger Sequoia' It is not the place for general discussion or sharing stories about the topic of this article.. The frequency which with it had to be maintained for optimum performance was a bit exasperating.. The brush gun has 0 01 spread; the sequoia has 0 6 spread, making it somewhat uncompetitive against the brush gun.. Cocking the hammer reduces how much you have to pull the trigger before firing I understand that, but how is it used in the game? And if the courier does cock the hammer after each shot, how do we know that it's a double action at all? Zac hemker 01:37, June 2, 2011 (UTC)Never does the Courier's hand go anywhere near the hammer.
